THE VEGAS

choreographies

Electro

Envision this: a pulsating electronic-house track fills the room as ethereal figures clad in white-silver, sparkling attire gracefully glide towards the audience, captivating them with their presence.

As the music gradually softens, they shed their outer layers, revealing sleek swimsuits underneath. Then, with the tempo intensifying, an upbeat anthem resonates, propelling the dancers into a dynamic poolside performance, creating an unforgettable fusion of electronic beats and mesmerizing movement.

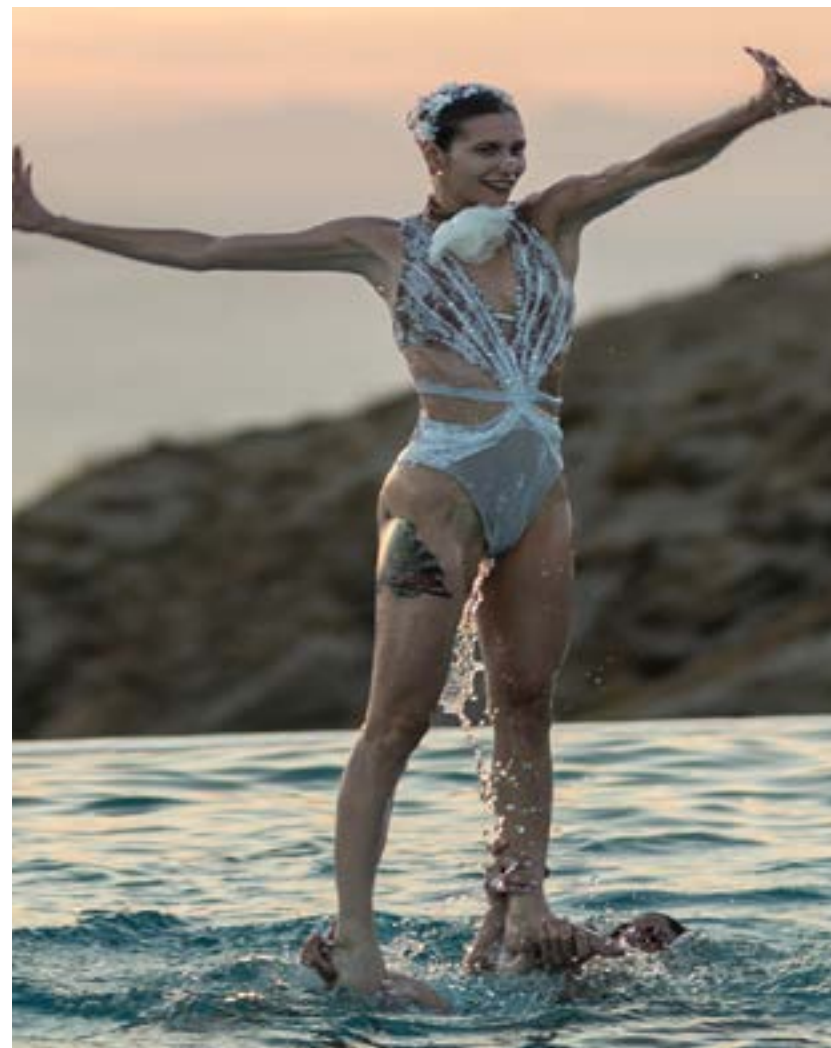

Classic

Set to the hypnotic rhythm of “Carmenita” by Claude Challe, Classic unfolds as a dialogue between operatic melody and contemporary beat.

The performance begins on land, where dancers appear in semi-transparent, airy capes adorned with beads, sequins and crystals forming intricate motifs.

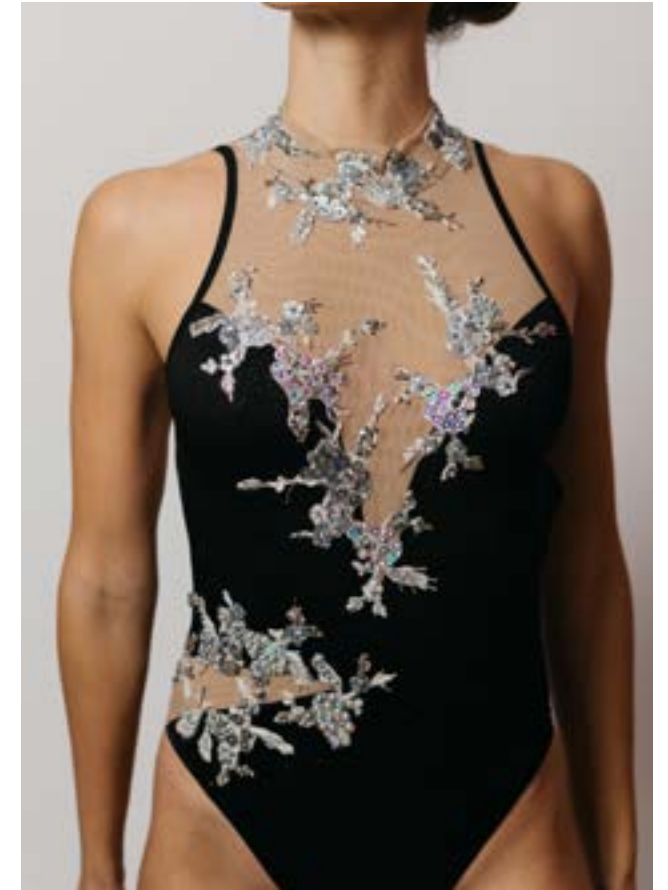

As the operatic melodies rise, the capes move rhythmically with the dancers, creating a dreamlike spectacle of fluid motion and light. Beneath the flowing layers, hand-embroidered swimsuits shimmer subtly. As the beat intensifies, the dancers enter the water, transforming the atmosphere into a powerful synchronised swimming crescendo where elegance meets dramatic force.

Sky X

Inspired by the magic of a starlit sky, SkyX is a captivating artistic swimming performance featuring a vibrant soundtrack that combines A Sky Full of Stars and Avicii's The Nights. Wearing sophisticated black costumes embellished with shimmering crystal constellations, the performers create mesmerizing patterns across the water through synchronized movement, elegant formations, and powerful lifts.

Radiating energy, joy, and wonder, Sky X delivers a visually striking aquatic experience that celebrates the spirit of adventure while transforming the pool into a dazzling galaxy of light and motion.

Ancient Greek

Inspired by ancient ritual and myth, this choreography unfolds as a multi-layered ceremonial journey. Draped in flowing, classical gowns, priestesses enter the space with a sense of purity and reverence, accompanied by ethereal soundscapes.

As the performance evolves, hidden elements are revealed — wings emerge, light intensifies, and the atmosphere transforms into something otherworldly.

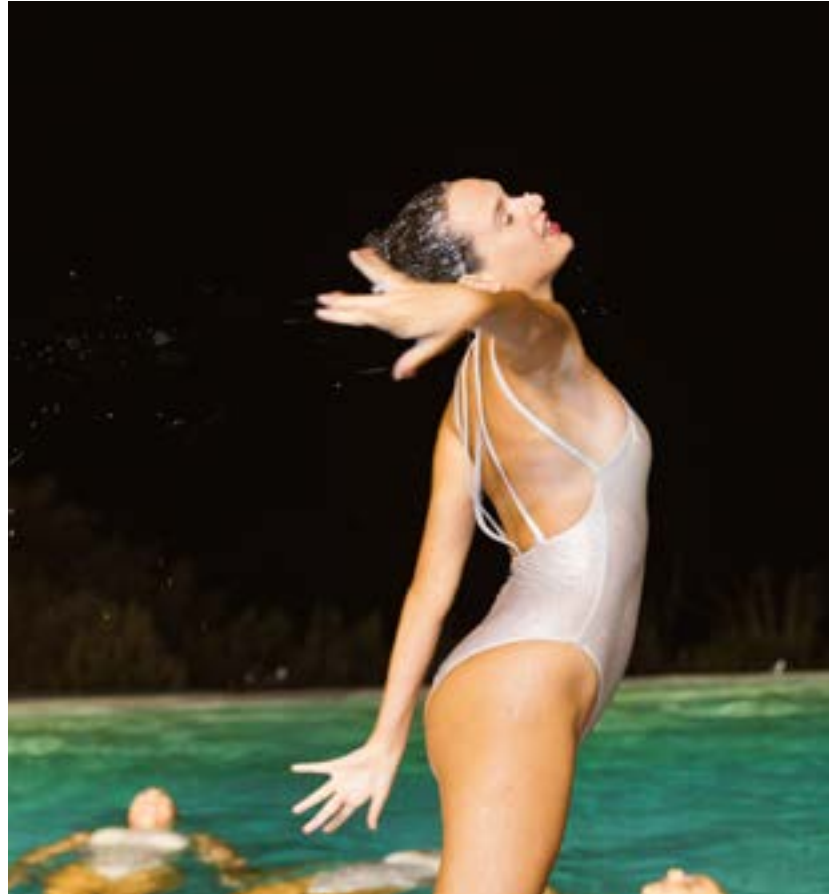

The ritual continues in the water, where the dancers transition into a synchronized swimming performance, illuminated by firelight as torches glow against the surface of the pool.

Summer Dance

Drenched in the glow of silver light and coastal air, this radiant summer dance performance brings to life the emotional heart-beat of Kygo's "Stole the Show." Dancers glide across the stage in shimmering silver-white swim-suits.

The choreography unfolds with a blend of elegance and freedom, echoing the highs and farewells of a summer story told in movement. As the music builds, so does the emotion — leaving the audience breathless in a moment that feels both timeless and fleeting

Lux Sax

Set to the hypnotic rhythm of Jimmy Sax's "No Man No Cry," Lux Sax is a bold fusion of elegance, seduction and aquatic power.

The dancers appear in crisp white tuxedos, moving with control and confidence, hinting at the transformation beneath. As the music builds, tuxedos open to reveal shimmering swimsuits and freer, more expressive movement.

The performance culminates with a dramatic dive into the water, where the choreography continues as a dynamic artistic swimming routine — an unexpected transition that turns the pool into the final stage.

Red Velvet

Experience the mesmerizing allure of “Red Velvet,” an act that promises to captivate your senses.

Adorned in radiant red costumes adorned with a profusion of delicate red flowers, the performers exude an aura of sophistication and opulence. With an aim to enchant and seduce, the act beautifully blends sensuality with elegance, leaving the audience in awe. As the enchanting choreography unfolds, the pulsating beats of electrifying electropop music infuse the atmosphere, enhancing the overall experience.

Candy- Land

This routine brings a playful and joyful dance mood to your special occasion.

Adorned in vibrant pom-pom-covered costumes, the dancers burst with energy, radiating the vibrant colors of a candy wonderland.

Get ready to be swept away by the sweetest rhythms and the most delightful choreography, making your event an unforgettable celebration of happiness and merriment.

La Dolce Splash

In a glamorous homage to vintage Hollywood, those women make a striking entrance draped in red gingham dresses, white scarves elegantly wrapped around their heads, and oversized sunglasses, as if stepping straight out of a 1950s film. With theatrical fans in hand, they perform a playful mini dance routine on land, full of charm and retro flair. As the music shifts, they slowly and seductively peel off their dresses and scarves to reveal sleek red swimsuits and whimsical silicone flower caps.

With confident grace, they dive into the pool and launch into a synchronized swimming performance, blending precise aquatic choreography with old-school glamour and cheeky fun.

TropiCali Samba

Step into a whirlwind of color, rhythm, and tropical flair with TropiCali Samba.

This high-energy spectacle fuses mambo-inspired dance with vibrant Caribbean spirit, beginning on land with dazzling costumes, vivid skirts, and floral-fruit headpieces that radiate festive charm. Just as the rhythm peaks, the dancers dramatically reveal their flowing skirts and transition into a mesmerizing synchronized swimming routine. Set to electrifying tropical beats, this performance is a joyful explosion of movement, music, and waterborne artistry that captivates from start to splash.

Bright white clocks, feathers and sparkle stardust will fill your fantasy world of dreams while you are wide awake.
